

# SW 700

## Product specification sheet

**NEW**  
**2013**

The SW 700 is a revamped version of the SW 700 V. With its cloth frame more in tune with modern expectations and its Black Ash finish, the SW 700 fits easily into its surroundings and blends in discreetly. Once it is turned on, however, the SW 700 provides you with everything you expect from your Home Cinema experience.

SW 700, Black Ash finish
