Net weight	22.2lbs (11kg)

*Our Sib&Co line will be 10 years old this year. And to celebrate, we are introducing the Cub<sup>3</sup> subwoofer - a simplified version which does away with everything Home Cinema doesn't need. Simpler, more efficient, but just as powerful as ever, the Cub<sup>3</sup> has unbeatable resources that belie its compact dimensions. It is the natural complement to the speakers of the Sib & Co line for a marriage of integration and performance.*
