

AP 4.380

Product sheet

This class A/B amplifier is the perfect compromise between linearity and efficacy. Showcasing our commitment to sound quality that characterises all Focal products, its optimised performance allows you to get the best from your Focal speaker drivers. Our engineers have designed the AP 4.380 amplifier to be simple to install and easy to use, as well suitable for a variety of audio configurations.

Bridgeable
For twice the power

Key points

- Various amplification options
- Easy to use
- Customisable settings
- Robust design
- Compact

A/B Class Amplifier	4/3/2 channels
CEA power (4Ω)	4x70W RMS
RMS power (2Ω)	4x95W RMS
BTL RMS power (4Ω)	2x190W RMS
Frequency response	10 - 30kHz (3dB)
Total harmonic distortion	≤ 0.06%
SNR (1W/A)	> 82dB
High-pass crossover	75Hz (CH1/2)
Low-pass crossover	40 - 300Hz (CH3/4)
Bass-boost	0/6/12dB (CH3-4)
Feature	Full-range mode
Dimensions (HxLxD)	2 ¹³⁶⁴ x 9 ¹⁴ x 10 ⁵¹⁶ (56 x 235 x 262mm)
